

# Children of One Planet - 501(c)(3)

2525 North Lake Ave. Ste. 9, Altadena CA 9100

## My Story

I am Azita Milanian, founder and CEO of Children of One Planet. Twenty years ago I saved a baby I found buried alive in a shallow grave on a trail in Altadena. The County took custody of him, he was adopted, and his records were sealed. But I never lost hope we would meet again.

This amazing rescue inspired me in 2000, to create Children of One Planet, a non-profit 501(c)(3) organization to help orphaned children and child-related causes around the world. For fundraising, I established Dance for Hope America to do dance shows and musical entertainment events, featuring world-class professional ballroom competitors and musical performers, who donate their time and talents for children in need.

In May of 2018, another miracle occurred: On his live radio show, Ryan Seacrest reunited me with Matthew Whitaker, the child I rescued, who has grown up into a wonderful young man. Matthew has agreed to join my mission to save other children from despair and abuse. He will be addressing our upcoming event.

Dance for Hope  
AMERICA

**Dance For Hope America's "Great Gatsby Gala" on  
October 19, 2018, at 6 P.M.  
in the ballroom of the historic Masonic Temple in Pasadena, CA.**

This is a formal event, where attendees can dress up – wear your favorite Jazz Age fashions or modern formal attire. Return to the Roaring '20s when people really knew how to party! Delicious international food will be featured with an open bar (for VIP sponsors), a live band and dancing, plus onstage professional dance performances. And best of all, you will be helping Children of One Planet -a nonprofit that is dedicated to breaking down barriers and bringing children together through dance. It is proven that dancing makes children happy and helps them develop important social skills. We will also give them age-appropriate information on the dangers of bullying, teen pregnancy and human trafficking.

Please help support Dance for Hope America's "Great Gatsby Gala," at whatever level you can.

Sponsorship benefits include tickets to the dinner, dancing, and the show; wide media publicity for your firm; and a tax deduction for your sponsorship donation to Children of One Planet.
